 We've got lots of babies to come and see. And, don't forget our new  
 camel Sammi! Come and take advantage of this beautiful weather!

Safari's wants to thank Skadaddle Media in Los Angles. They had  
 heard about our park and what we do for the animals and contacted  
 us in advance to be part of there Aha Moments taping sponsored by  
 Mutual of Omaha. It's nice when people from all over the country  
 have heard about Safari's. If you've never been to see our animals,  
 this looks like a great weekend to check us out!

**Go WILD!!**

**Welcome to the 2010 updated  
 Safari's Sanctuary site!**

**What are we? Letter from the founder.**

We (animal lovers) are a species very distinct from all others.  
 A species that is compelled to help all of Gods' creatures to survive and live  
 a fulfilled joyous life.

**Donate, help feed  
the animals!**

Safari's Sanctuary in Broken Arrow was founded in 1995 to do just that. We rescue all kinds of wildlife, from big cats, wolves, bears, primates, hoof stock, birds, reptiles..etc. Currently housing over 200 animals. All from either private individuals who could not keep or from zoo's that over breed.

While at the same time, we focus on educating our youth to the dangers of having exotic animals as pets. Teaching to do your research before acquiring any animal, whether dog, snake, or tiger! What will its needs be? How much will it eat? How big will it get? How long does it live? Are you willing to dedicate your life to that animal for the next 10+ years (however long it lives)?

I welcome you to explore our website, get a taste of the kinds of animals we rescue, and what all we have to offer, then please come visit our park, nestled on 12 acres just east of Broken Arrow. Feel the love in the animals, and our volunteer staff who dedicate their lives to making sure our dream continues.

If you love animals, you'll be addicted to Safari's too! Become a volunteer, a sponsor, or just be an ambassador for Safari's and tell everyone you know. I look forward to seeing you soon!

Sincerely,  
Lori Ensign-Scroggins
