Coaches:

Be sure to download the above links including the recently updated [AAYBA World Series rules](#), the mandatory [roster/waiver form](#), [directions to the fields](#), and a [map of the complex](#).

The roster/waiver form must be turned in at check-in by each team. **DO NOT MAIL THIS FORM**, some of you have and it isn't valid. If you mailed yours complete another and turn it in at check-in. The [roster/waiver](#) is located above and all over the website and you were sent a link in your confirmation packet that each team was emailed upon acceptance to the event. No team will be permitted to play without a signed and completed roster/waiver form. Each team must also present proof of insurance. **Do not mail this form either ... bring it to check-in.**

SCHEDULES

Brackets will not be mailed in advance. Schedules will not be available in advance ... they will be given to the managers at the Coaches Meeting. You may visit www.aayba.com a day in advance of your check-in for a copy of an UNOFFICIAL bracket. When making your travel plans be sure to include the rain day. We will avoid a rain day if at all possible but sometimes this day is required to complete the event.

However, the week will break down as follows:

Check-in Procedures

Check-in will be held at All Star Sports Complex main building.

The address is: **10309 E. 61st St Tulsa, OK 74133.**

For directions please enter the address into mapquest or any of the many online mapping services.

Check-in will take place on Friday July 9th from 6pm until 8pm and on Saturday July 10th from 9:00am until 11:00am. Teams (**in uniform**) are free to check-in anytime within the stated hours. Because of the large volume of teams we urge teams to check-in early and avoid the late rush. Saturday will be exceptionally busy.

The mandatory managers meeting will be held Saturday July 10th at All Star Sports beginning promptly at 11:15 am at All Star and it is our goal to be done by 12:00pm. The Team Mom Meeting will follow this meeting from 12:15-12:45. Lots of valuable information will be given out at that meeting.

Be sure to have you boys line up in single file and have your paperwork ready. This will be a hectic day or your cooperation will be greatly appreciated.

To check-in all teams must have:

[Roster/waiver](#)

Proof of insurance

All players must be present with an original or state certified copy of their birth certificates or a valid US Passport.

(PLEASE DON'T CALL AND ASK IF PHOTOCOPIES ARE OKAY, THEY ARE NOT).

Each must present "proof of age" for each player on their roster at check-in. Any of the items below can be used for proof of age. **Please don't call to see if we will accept photo copies - Photo copies will not be accepted. Notorized copies will not be accepted.**

Original government issued Birth Certificate - Government issued "Certified Copy", with government seal - Original passport - Original USA immigration card - Original Military issued ID card (issued by the appropriate Department of Defense).

Once checked in, you must have the verification documents used at check-in in your possession which must be presented on the spot in case of an age challenge. **Failure to produce such documents will result in the player being declared ineligible (no exceptions), the game forfeited, and any previous game the said player participated in. If the player is found to be illegal, your team will be removed not only from the World Series but also for any future AAYBA event.**

If your parents have lost or misplaced their original birth certificate, a state photo copy can usually be obtained from your local vital statistics or health departments for a small fee of usually \$5 to \$10 and most print them while you wait. **All parents have these documents as they are required for obtaining a social security number which allows them to claim their child on their taxes, to register for school, to obtain a drivers license, etc. For some reason many parents like to claim not to have these items because they simply don't feel like digging them out. Those parents children will be ineligible for this event.**

All teams must check-in as a team and not individually. Your team needs to be in **full uniform** (minus cleats) for check-in and they will need to wear at minimum, their jersey for the parade.

When checking in have your team approach the table in a single line and in the order that **you** hand us their birth certificates. This day is very busy and quite stressful so if you don't follow these procedures your team will be moved to the end of the line and

the next team will be checked-in. We just don't have time for your kids to be out of order and your paperwork not ready.

DON'T APPROACH THE CHECK-IN TABLE UNTIL YOU ARE 100% ORGANIZED AND READY.

Late arrivals: If your team has a player that cannot make check-in (Limited to three players), they may check-in at the field with tournament director on-site as long as they are checked-in prior to the start of your third game. We will only check-in players at 9:00am and 3:00pm at the tournament directors table on Sunday & Monday. The player must have their birth certificate with them or they will not be confirmed as an eligible participant. Players not checked in prior to the start of their teams third game will be declared "ineligible" for the tournament. Be sure that the late arrivals are included on your roster/waiver form so we can mark them off when the late player checks in thus making them eligible for the tournament.

Coaches, every year we have bunches of parents who are upset because they had no idea there would be a gate charge. Like all National organizations we must charge a gate fee, unlike most other National organizations we only charge the adults, the kids 15 and under are free.

PLEASE TELL YOUR PARENTS ABOUT THIS!!!!!!!!!!!!!!

Parents that abuse our gate personnel will be removed from the park for the entire duration of the event. Excessive cases could result in your team being removed from the World Series.

It is highly recommended that someone from your team bring a laptop so you can stay current on the game scores. This is a great way for parents and grandparents who could not attend to stay informed throughout the week

TEMPORARY MOUNDS

BAYB and Allstar have baseball fields with real mounds. We do not expect to but, should a few games need to be played on fields with a temporary mound due to weather delays, pitchers should bring shoes without metal spikes for pitching. We will only use temporary mounds as a last resort to get games played at reasonable times due to (weather or other situations impacting schedules).

Team and Action Photography

US Sports Photography will be our "official" photographer for this event. Pictures will be taken throughout the week and for sale at various locations at both All Star and BAYB Parks. US Sports Photography has put together some specific packages for the AAYBA World Series participants. The packages are exceptional.

Pin trading begins the moment your boys arrive for check-in and concludes after the last team leaves the park after our awards ceremonies are complete. They trade at the opening ceremonies, at check-in, before and after games, at the hotel, at restaurants, at the pool, at the BASS PRO Day, etc. **Be sure to have some extra pins available for the siblings attending this event – it will keep them busy all week.**

PLEASE REMOVE YOUR PINS FROM THE PLASTIC BAGS (Before bringing to park)

Parents with Cameras

Parents are welcome to videotape and/or photograph their teams, however under no circumstance are they allowed in the dugout or inside the fence on the field. Parents ignoring this rule will result in both the parent and the manager being ejected from the game. This rule will be strictly enforced without warning.

CHAIRS, TARPS, AND TENTS

Lawn chairs are allowed, as well as shade structures as long as **they don't block the view of others.**

SPECIAL START REQUESTS

Before entering the AAYBA World Series, make sure your team has no other conflicts during the scheduled dates. AAYBA cannot guarantee any special game time requests! Local teams especially, we cannot and will not schedule you only in the evening. Teams need to be prepared to play at the first scheduled game of the tournament and any time throughout the day until the last game of the tournament. For those of you with more than one child participating and for coaches and managers coaching more than one team ... we cannot guarantee that your teams won't be playing at the same time. Managers, be sure to have another coach ready to cover you in case your teams are playing at the same time.

GAME BALLS

All teams must supply two new balls per game. Both All Star and BAYB Complexes sell Diamond Baseballs @ \$50 a case or \$5 each.
